

AmeriCorps Ambassadors of Mentoring Program

Girl's LIFE Program Coordinator

About AmeriCorps:

[AmeriCorps](#) is a national community service program that gives people an opportunity to apply their skills and ideals towards helping others and meeting critical needs in the community. The [AmeriCorps Ambassadors of Mentoring](#) is an AmeriCorps Program where members serve in mentoring programs across Massachusetts.

Organizational Description:

Mass Mentoring Partnership (MMP) is fueling the movement to expand empowering youth-adult relationships across Massachusetts. MMP serves hundreds of program partners statewide supporting thousands of youth in quality relationships. We work with mentoring programs and youth development organizations to assess programmatic needs and organizational capacity to provide customized strategies that strengthen youth, families, and communities.

Host Site Description:

Budget Buddies envisions a world in which all women control their financial futures. We seek to reduce the number of women and their families who live on the economic margins by improving their financial skills, behavior, and confidence. Serving low-income women and teen girls, in partnership with local social service agencies, we help participants gain greater economic stability, sustained employment, increased educational opportunities, and better housing security.

Position description:

Budget Buddies: Girl's LIFE (Learning Independence through Financial Education) is designed to apply our award-winning financial literacy and empowerment curriculum to a teen audience. Teaching young women core financial principals when they are on the cusp of independent financial lives is essential to the full economic empowerment for women in adulthood. Girl's LIFE is a program that combines instructional workshops and one-to-one mentoring for young women, ages 15-20.

The AmeriCorps Ambassador of Mentoring will be our Girl's LIFE Program Coordinator as we enter the second year of our program. Building on success from our pilot year, the Girl's LIFE Program Coordinator will 1) recruit and train mentors; 2) support matches between mentors and teens; 3) assist with the facilitation of the workshops; 4) find new youth serving agencies to partner with; 5) incorporate updates from our pilot program into the current curriculum; and 6) evaluate our second-year programs and suggest additional changes.
