

## AmeriCorps Ambassadors of Mentoring Program

### Sociedad Latina: Mentores en Acción Coordinator

#### About AmeriCorps:

[AmeriCorps](#) is a national community service program that gives people an opportunity to apply their skills and ideals towards helping others and meeting critical needs in the community. The [AmeriCorps Ambassadors of Mentoring](#) is an AmeriCorps Program where members serve in mentoring programs across Massachusetts.

#### Organizational Description:

Mass Mentoring Partnership (MMP) is fueling the movement to expand empowering youth-adult relationships across Massachusetts. MMP serves hundreds of program partners statewide supporting thousands of youth in quality relationships. We work with mentoring programs and youth development organizations to assess programmatic needs and organizational capacity to provide customized strategies that strengthen youth, families, and communities.

#### Host Site Description:

Since 1968 Sociedad Latina has worked in partnership with Latino youth and families to end destructive cycles of poverty, health inequities, and lack of educational and professional opportunities in our community. Through our Pathways to Success model, we pioneer new and innovative solutions to the most pressing issues facing Latino youth today, supporting positive youth development from ages 10-21, creating a community that supports young people, and training all youth to advocate for themselves and their communities.

Sociedad Latina's mission is to support Boston's young Latinos and Latinas to become confident, competent, successful, and proud of their cultural heritage.

#### Position description:

The goal of our Mentores en Acción program is to support Latino youth through high school and prepare them for college and workplace success. We achieve this goal by pairing youth with Success Mentors who provide personal, academic, and career exploration support in 9th-12th grades and in the first year of college. In 2019-20, the Ambassador of Mentoring will capitalize on these efforts by maintaining current matches and recruiting a greater number of young professional mentors of color to support our Escalera college and career readiness programming. The AOM will also be responsible for training mentors around best practices for supporting English Learners and providing support in college and career readiness; and creating opportunities for mentoring matches to build relationships outside of the classroom and explore their cultural identity, such as field trips to cultural institutions, and higher education and career exploration activities.

#### Program Summary:

Twenty-Five AmeriCorps Ambassadors will complete a year of service from August 2019-June 2020. These members will be placed at one host site organization to build the capacity of youth mentoring programs and

organizations in the areas of match support; marketing and mentor recruitment; mentor/mentee/parent training; and program development, evaluation and start up.

All AmeriCorps Ambassadors of Mentoring will focus on volunteer mentor recruitment efforts in their host organization as well as work with other Corps members to complete a statewide community service project that benefits the field of mentoring in Massachusetts.
