

## Someone Thinks You'd Be a Great Mentor!

### Step Up to the Plate and Join the Red Sox Mentoring Challenge

3,000 young people in MA are spending their time on waiting lists, instead of with the mentor they need. Young people in our community are looking for our help and our guidance, so step up and help them out. It doesn't take much to help, just an hour a week can make a difference in a lot of lives.

Some exciting incentives for becoming a mentor through the Challenge include:

- Eligibility for Red Sox tickets and/or on-field experiences
- Year-end recognition event at Fenway Park
- Tours of Fenway Park
